Professor Brawn Café

After the Joan Bowen Café, Profession Brawn Café is another F&B social enterprises I came to know which aims to help adults with special needs by providing them with job opportunities.

There are five lunch sets available on weekdays, from as affordable as \$12.90.

Also on offer was their weekly special, **Special Black Miso Cod (\$25.90)**, served with soup of the day and choice beverage.

Although the unique sweet potato mash didn't quite strike a chord with the tastebuds, the fish itself was impressively succulent.

Currently Professor Brawn Café has two outlets. If you value some privacy or just don't feel comfortable passer-bys looking down at your food in their relatively open novena café, their tucked-away Boat Quay outlet is easily a better location.
