We then decide to go to this restaurant that sissy raved about on her blog!
Velocity Professor Brawn Restaurant that is!

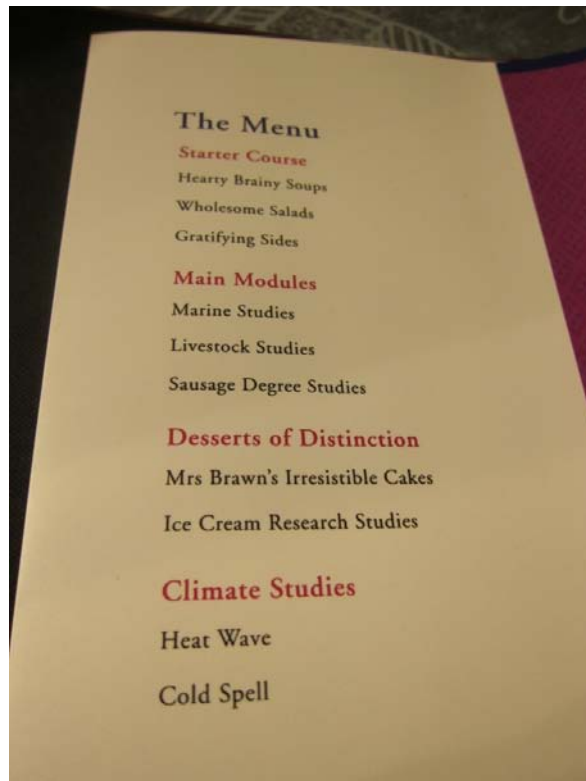

It's funny how i take the same kind of photos as sissy. But nvm still :D

Feeling hungry again after 7 hours from eating our brunch. Hahaha.

Chose to sit at the other side of the restaurant, cause it's quite packed over at the other side :)

Take a quick look at the menu!
hehe, like how they present the menu in a different way!

And decided that we should ordered exactly what sissy have ordered!
HAHAHA. So silly i know.

Wore my presents out!
hahahaha, the shirt from hy<3
It says 'Today it's my birthday' So cute right! And this means i only can wear once a year.
Behind the shirt prints Love, Hy. Totally <3!!

Was quite skeptical when our mushroom soup arrive. Cause it looked kind of watery and diluted.
But it turns out to be nice! Every mouth with chunky bits of mushrooms. Not too salty and creamy :D

HAHAHA, boyf giving the happiness look? :/
Our food came promptly after we have placed our orders! Awesome, cause we are mad hungry alr :D

Mine! Rosti with swiss pork cheese sausage! :D

And boyf's BBQ pork ribs!
NICEEEEEEEEEEEEEEEEEE. Tender and almost melt in your mouth ribs! hehehe.
But boyf wished that the portion is bigger. Means it's real good! We will be back! :D
