[Re: Good eats around Novena](#)

▣ by [Duck](#) » 10th Jul, '12, 14:32

I could highly recommend Professor Brawn Cafe in Novena Square, their food is good but what really sets this place apart is the fact that they are a social enterprise with an inclusive team of staff of varying abilities, really makes you feel like you are contributing to the community (particularly those in the community less advantaged) when you eat here.
