So far all we've tried has been pretty yummy!

BBQ Pork Ribs – Succulent, tender till the meat falls off the bone, so VERY GOOD!

Squid Ink Linguine – Just the right level of 'brinness' to make it tasty and sufficient 'body'.

Spaghetti with Clams – White wine sauce that was light, yet full-bodied. I hate it when simple sauces like that end up thin and watery. This one definitely was not! :)

Carrot Cake – They serve this freshly warmed!

Professor Brown  
is a superior  
character who is  
"more kind and strong".

Created by a child with  
autism spectrum disorder,  
he became the catalyst to  
start a social enterprise  
based on the values of  
quality, dignity and  
inclusiveness.

**OUR MISSION**  
to provide affordable good food  
served by an inclusive quality workforce  
empowering people of different abilities,  
with that mission-driven inclusiveness.
