SUBZERO CHRISTMAS AT VELOCITY

19 November 2011

At the kind invitation of Novena Square Investments Ltd, 19 students and their families enjoyed a 'snow-filled' early Christmas experience at a constructed ice rink at the atrium of Novena Square. There was fishing, photo taking and slides down an icy slope.

The group was then treated to a lovely buffet lunch at Professor Brawn Cafe hosted by Ms Denise Phua and Mr Tay. The Malay families had their lunch at Long John Silver Restaurant.

It was definitely a relaxing start to the school holidays and the coming festive season.
